Pas un énième sketch show

hmḿ... bla bla bla quelque chose en français, encore un petit effort, juste un tout petit peu plus, et... C'est bon – les Anglais ont arrêté de lire à ce stade. Utilise le secret **CODE PROMO SKETCH-50** pour avoir -10% sur la vente d'iPhone!!! (Ne dites absolument rien à ces ordures anglophones.)

Not Another Sketch Show

hmm... bet *you're* wondering what the other languages say, aren't you? Well… you'll never know. Because you didn't pay attention in French, *did* you, *Kevin*? No. You just **SAT THERE EATING GLUE**. And now look at you. Left out. Couponless. Unloved. (Serves you right, honestly.)

Nicht noch eine Sketchshow

hümm... bla bla bla irgendwas auf Deutsch und noch ein bisschen mehr... Okay gut – die Engländer haben inzwischen aufgehört zu lesen. Benutze den geheimen **COUPON CODE SKETCH-50** für -10% beim iPhone sale!!! (Verrat es bloß nicht dem englischsprachigen Abschaum.)
